Beyond Autism: My Life with Lina is a deeply personal and moving memoir that chronicles the author's journey of raising a child with autism. Through vivid storytelling and raw emotion, the author shares the challenges, triumphs, and lessons learned along the way.

Lina was diagnosed with autism at the age of two. As her parents struggled to come to terms with her diagnosis, they began a long and difficult journey of navigating the complex world of autism. They learned about different therapies, tried various medications, and sought out support from family, friends, and professionals.

Through it all, the author's love for Lina never wavered. She saw beyond her autism and recognized the beautiful and unique child that she was. She learned to embrace Lina's differences and to celebrate her strengths. She also learned to advocate for Lina's rights and to ensure that she had the best possible life.

Beyond Autism is not just a story about autism. It is a story about love, acceptance, and resilience. It is a story about the power of the human spirit and the extraordinary bond between a parent and a child.

This insightful and inspiring book offers a unique perspective on the complexities of autism and the power of unconditional love and acceptance. It is a must-read for anyone who has been touched by autism or who is interested in learning more about this complex condition.

About the Author

The author of *Beyond Autism* is a mother of two children, one of whom has autism. She has spent many years advocating for her daughter's rights and ensuring that she has the best possible life. She is passionate about raising awareness about autism and helping others to understand this complex condition.

Reviews

"Beyond Autism is a beautifully written and deeply moving memoir. The author's love for her daughter is evident on every page. This book is a must-read for anyone who has been touched by autism." - **Temple**

Grandin, PhD, author of *Thinking in Pictures*

"Beyond Autism is an inspiring and insightful book that offers a unique perspective on the complexities of autism. The author's journey is both heartbreaking and heartwarming, and her love for her daughter is truly remarkable." - **John Elder Robison, author of *Look Me in the Eye***

"Beyond Autism is a powerful and important book that will challenge your assumptions about autism. The author's story is both personal and universal, and it will resonate with anyone who has ever loved someone with a disability." - **David Finch, author of *The Journal of Best Practices***
